Health Spa & Massage

Hua Hin • Thailand

Massage

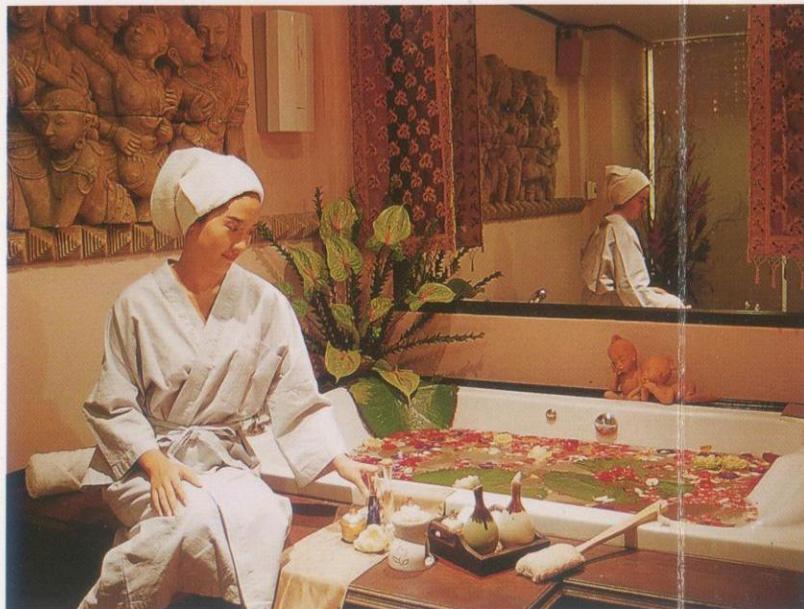

1. Traditional Thai Massage

This ancient form of massage unique to Thailand uses deep tissue, pressure points and stretching techniques to reduce stress and relieve aching muscles. Recommended for those who prefer a firm massage.

2. Reflexology Massage

This specialized foot massage assists in the relief of stress and tension, helps to improve circulation, and fosters a restoration of the body's natural state of equilibrium. (for lower leg)

3. Oil Massage

A soft or firm massage to relieve stress-related tension in your body. Gentle acupressure is applied to restore a sense of serenity to your day. (for back & shoulders)

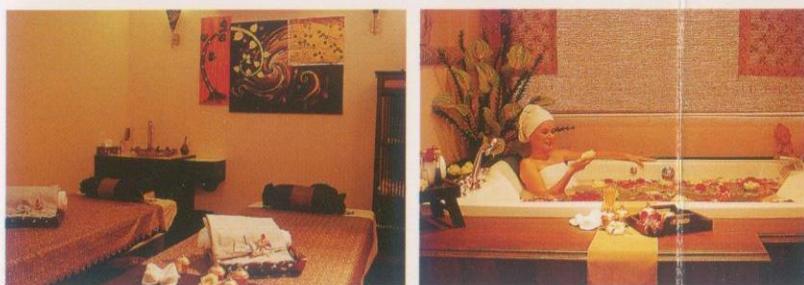

4. Exclusive Thai Massage

Traditional Thai massage 1 hr. and Herbal ball massage 1 hr.

5. Head & Shoulders & Back

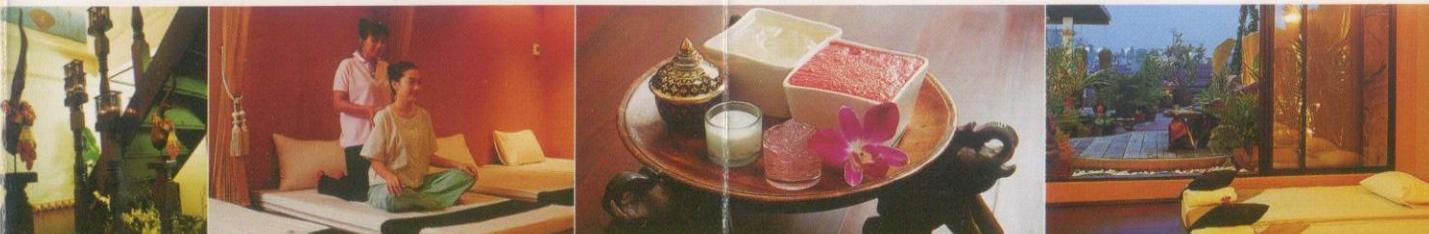

6. Aromatherapy Massage

Relaxing massage and integrated massage techniques are used with your choice of essential oil blends, to leave you feeling balanced and rejuvenated. A definite tonic for jet lag. (for full body)

7. Swedish Massage

Traditional Swedish techniques are used to relax tense muscles, increase circulation and induce a state of total relaxation. Pressure can range from light to very firm. (for full body)

8. Anti-Cellulite Massage

A fat burning slimming cream or oil with a high penetration capability that releases heat allows the draining of fatty tissues and promotes the elimination of toxin. This focuses on fat areas by draining massage with professional therapists and anti-cellulite cream or oil to improve circulation and improves the appearance of orange peel skin.
